Form (get): I have the user enter his or her name, email, and message to contact me. I test

using http://web.engr.oregonstate.edu/~zhangluy/tools/class-content/form_tests/check_request.php

Scroll Box (Resources)

1. External Link to my LinkedIn Page
2. Sources Cited PDF. PDF will download and open in new tab
3. HTML Links to Manufacturer Websites
4. HTML Links to Retailer Websites

I believe I covered everything in the rubric. As I stated on Canvas, I am using my 3 bonus days for this project.
